VECTORS

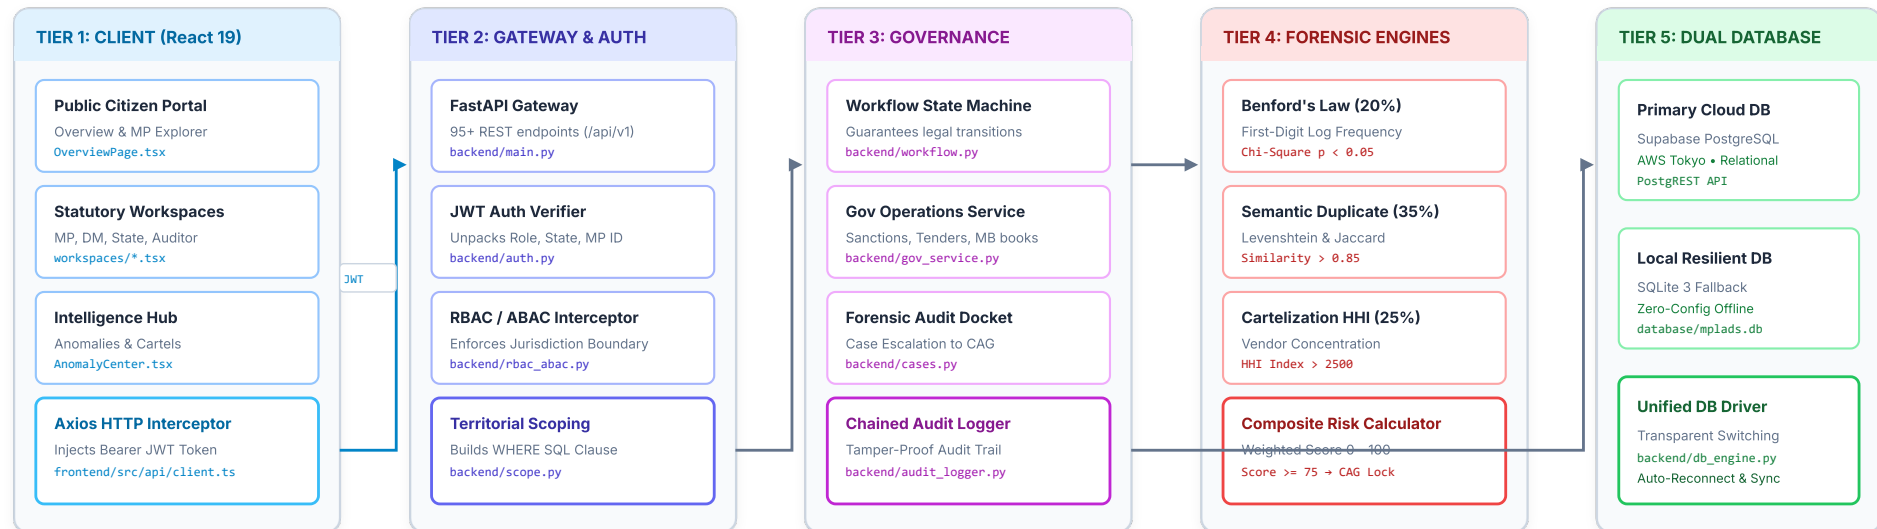

MIRO DRAG & DROP
READY

Board 1: Full System 5-Tier Data Flow & Technology Architecture

Clean white theme with zero overlapping lines. Ready to drag and drop directly into Miro.

JanDrishti — Full System 5-Tier Architecture

Direct Miro Drag & Drop Vector • Clean Light Theme • Zero-Overlap Pipeline

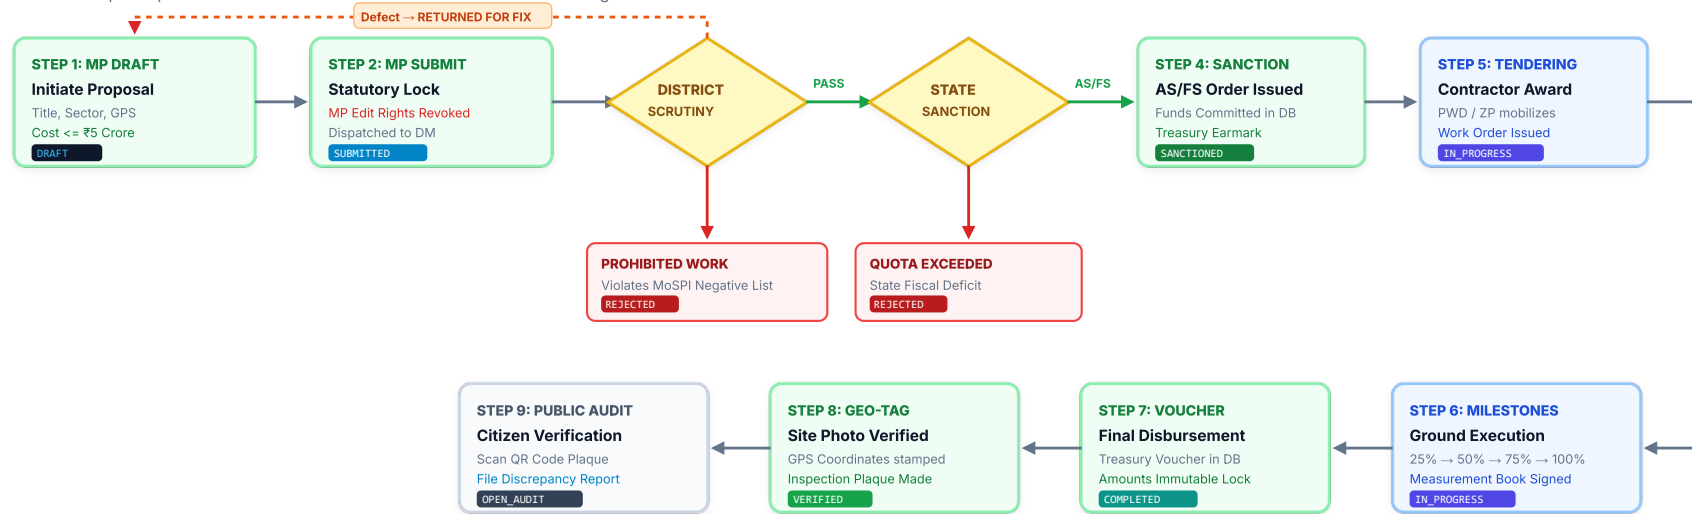

Board 2: Statutory Governance Lifecycle (MP to Citizen Verification)

Explicit decision diamonds, defect loops, and state quota checks without any crossing lines.

JanDrishti — Statutory Governance Lifecycle (MP to Citizen)

Zero Overlap • Explicit Decision Diamonds • Clear Color-Coded Branching Paths

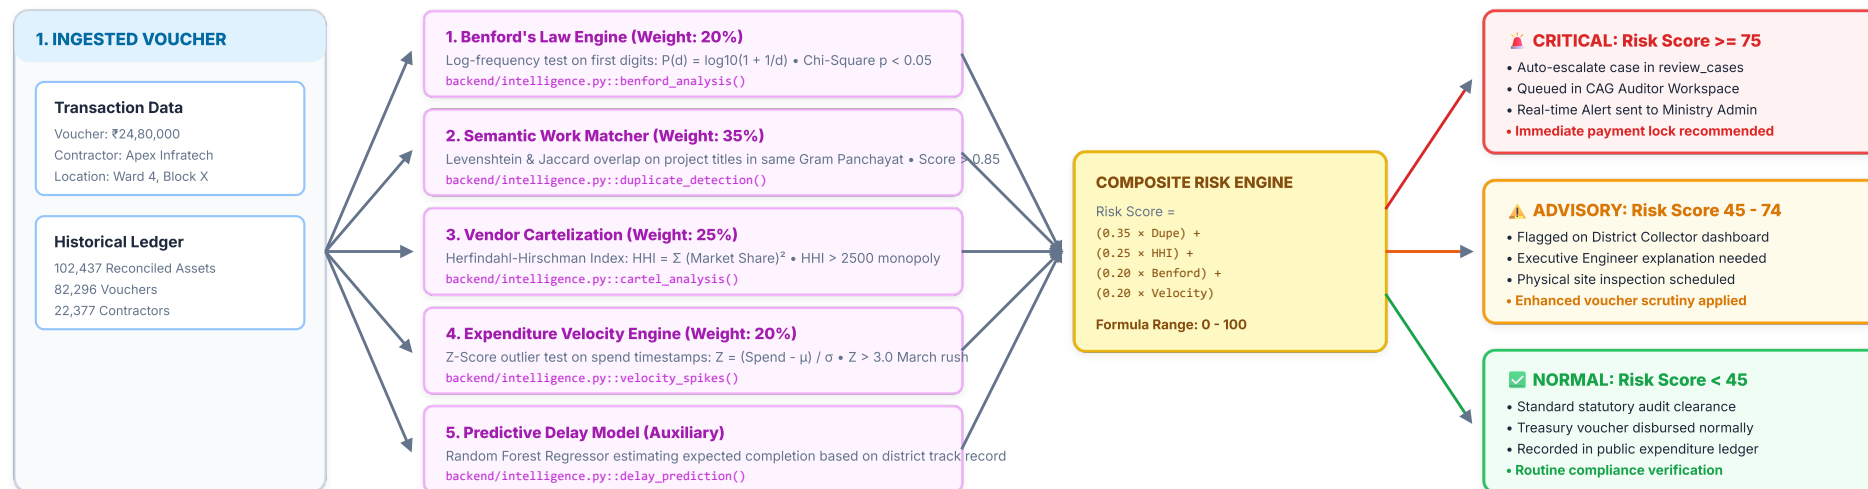

Board 3: Pre-Disbursement Forensic Intelligence & Anti-Fraud Pipeline

5 parallel statistical algorithms feeding into a composite vulnerability score with automated threshold actions.

JanDrishti — Pre-Disbursement Forensic Intelligence & Anti-Fraud Pipeline

Zero-Overlap Layout • 5 Parallel Mathematical Engines • Clear Threshold Escalations

Board 4: Statutory Authority Matrix (Separation of Powers)

Demarcation of administrative rights and statutory restrictions across Indian public finance tiers.

Role & Rank	Jurisdiction Scope	Statutory Powers (Allowed)	Strict Restrictions (Prohibited)
RANK 1: MINISTRY_ADMIN Central MoSPI	Pan-India (National Corpus)	View all 36 States, configure system risk weights, approve central dockets, manage system users, national audit review.	Cannot modify ground milestone records; cannot bypass district techno-feasibility scrutiny.
RANK 2: STATE_NODAL State Planning Dept	Designated State (<code>user.state</code>)	Review district dockets, grant statutory Financial Sanction (AS/FS), reject non-compliant works, monitor state budget quotas.	Cannot access, approve, or modify records of any other Indian State.
RANK 3: DISTRICT_AUTHORITY District Collector / DM	Designated District (<code>user.district</code>)	Techno-economic scrutiny, tender floating, contractor assignment, milestone updates, geo-tagged photo uploads, release final payment.	Cannot recommend works; cannot sanction outside district; cannot modify treasury transaction values directly.
RANK 4: MP Lok Sabha / Rajya Sabha	Parliamentary Seat (<code>user.mp_id</code>)	Draft and submit work recommendations within ₹5 Crore entitlement; track execution velocity; view constituency ledger.	Locked from editing after submission; cannot approve works; cannot access other MPs' dockets.
RANK 5: STATUTORY AUDITOR CAG / Independent	National Mandate (Independent Oversight)	Inspect Benford flags, cartel HHI scores, duplicate work dockets; create forensic audit cases; flag transactions for recovery.	Read-only to financial ledgers; cannot disburse, approve, or alter financial figures.
RANK 6: CITIZEN General Public	Open Public (National Read-Only)	Inspect all works on interactive maps; search MP utilization; scan QR code plaques on physical assets; submit ground discrepancy feedback.	Zero mutation power on official records; cannot edit or sanction works.
